

Sesqui- Pageant Starts Tonight

LI. Gov. Shapiro To Give
Crown To Queen; Week-
Long Celebration

The first performance of the historical pageant, "Our 150 Years," will be presented at 8 o'clock tonight at the Madison County Sesquicentennial grounds near Edwardsville.

The week-long celebration opened yesterday afternoon with an official grounds opening ceremony presided over by Gus Heller, chairman of the county board of supervisors. A full meeting of the county historical society and special religious services followed.

Identity of the queen, Miss Angie Viviano, 20, Collinsville, was announced at the colorful Sesquicentennial Ball, attended by about 400 persons Saturday evening in Alton.

These in the royal court included Miss Bernadette Acquaviva, 17, daughter of Mr. and Mrs. Bernard Acquaviva, 2445 St. Clair avenue. Others named as Sesquicentennial Princesses were Miss Sharon Finley, Patricia Sodhite and Mrs. Jack Butterfield, all of Collinsville. Miss Carolyn McGahey of Dorney and Miss Maria Kahle of Edwardsville.

Mrs. Parker W. Bigley and Mrs. Austin Lewis were Quads of the Sesqui Pageant. The committee, and Eugene Alais directed the decorations, which followed a gold and white theme. Pages were Misses Charlene Graham of Granite City and Jean Bosworth of Madison.

Attorney Burton C. Bernard of Granite City was among those participating in yesterday's opening events. Rev. Alfred Buile of Granite City, pastor of the Southern Illinois Synod, led Lutheran services yesterday afternoon and Rev. Vernie Barnett of Granite City, president was chairman of the Madison County Ministerial Association program.

Tonight's coronation will highlight "Governor's Day" activities, with the queen crowned by Lt. Gov. Samuel Shapiro. Visiting dignitaries will be introduced following the pageant. A fireworks finale is scheduled for 9:30 p.m.

The program will open at 7:30 p.m. with selections from the Broadway stage production "Man," performed by a group under the direction of Dr. Merrill Ottewill. Dr. Ottewill's group was specially formed for the week's activities.

Tribute will be paid to the municipalities of Alton, East Alton, Wood River, Roxana, Hartford, Monticello and Godfrey.

Growing List Of Groups To Hear Drainage Talks

A growing list of Granite City organizations is scheduled to hear talks explaining the pollution abatement-drainage election to be held on Tuesday, Oct. 2.

This week will be a busy one for the Speakers' Bureau, which is headed by Mrs. Gabrielle Beine, Granite City's only woman city council member. Sacred Heart Church men's group heard the explanation yesterday, and women volunteers who will aid in the election campaign were addressed during a gathering this afternoon at the YMCA. The Daybreak Optimists heard a drainage speaker Saturday.

Meetings listed for tonight include the Granite City Democratic committee women at 7:30 p.m. at the Rose Bowl restaurant; the Webster school PTA at 7:30 a.m. at the school; part of the Provisional League of Women Voters at 8 o'clock in the home of Mrs. Elma Hoover, 2053 Iowa street; and the Granite City Toastmasters club at 8 o'clock at the home of Mrs. Elma Hoover, 2053 Iowa street.

There will be addresses at 8:30 tonight to the Kewanee club at the home of Mrs. John Lenz, 3133 Fehling road, and at 7:30 p.m. to the Emerson school Parents and Teachers.

Also scheduled are the Opti-mist and Marshall school PTA meetings at 8 o'clock, including Mrs. Maryville, Nameoki and Frohardt school PTA units Tuesday night, Sept. 18; Wilson PTA and Logan PTA Thursday, Sept. 20; Coolidge Junior high school PTA Monday, Sept. 24; and the Lincoln high school PTA Tuesday, Sept. 25.

The staff of speakers, which includes Dr. Ottewill, Dr. Beine, G. W. Hoelscher, chair-man of the Citizens' Sewer Drainage and Pollution Abatement Committee; John McBride, vice-president and general manager of the city; and

Few Area Locations in City Without Drainage Problems

Few areas in Granite City are without water problems. At the present time, one of these is Ca-pitol Hill, where the drainage is poor. However, as the community grows, sections of the city now free of drainage problems will be lucky, if the present sewer system remains unchanged.

Even the Capitol Hill residents, however, recall flood conditions as the accompanying photo shows. The picture was taken in the 2800 block in July, 1942.

Granite Cityans realize the present undersized sewer system can't do the job now, and the picture was taken without the proposed drainage, sewage, pollution abatement program. The program, prepared by the Citizens' Committee during the past three years, is to be presented to voters Oct. 2.

Granite City's growth pattern calls for a population of 60,000 or more by 1980—less than 20 years off.

3 More Groups Endorse City's Sewer Program

Three additional organizations with a total membership of about 120 persons have endorsed the \$10,000,000 drainage, sewer pollution abatement program for Granite City.

The Junior Minerva Club with 22 women members adopted the Citizens' Committee resolution at a meeting Thursday evening. The resolution endorsing the program, pointing out it would improve property values in the city.

Flooding Causes Mishap

An auto driven by Sam E. Col-trail, 54, of 3010 Duxton avenue, struck an open manhole at 9:30 p.m. Saturday. The intersection of East 23rd and August streets, where the accident occurred, was flooded at the time. No visible damage was incurred.

43 DAYS WITHOUT QUAD-CITY TRAFFIC DEATH

A decline in the area's birth-rate and a slight increase in the death rate were reported for the first eight months of 1962 by Granite City Clerk A. L. Stevens.

Stevens, who compiles vital statistics for the entire area, reports 776 births for the eight-month period this year—99 under the 876 birthrate for the same period in 1961. Deathrate totals are 272 this year, compared to 289 last year.

Area's Birthrate Down 99 For Year; Deathrate Up 3

Vital statistics for August show 89 births and 32 deaths compared to July totals of 102 births and 37 deaths. In 1961, there were 135 births and 32 deaths.

A breakdown of the 1962 statistics, listing births and deaths in that order, follows:

January 106 and 40, February 86 and 28, March 102 and 38, April 81 and 35, May 104 and 38, June 96 and 24, July 102 and 37, and August 89 and 32.

Treatment Plant A Must

No matter what the results of the Oct. 2 bond issue election, Granite Cityans are going to have to pay for a sewage treatment plant.

It can be either the giant-sized \$2,000,000 treatment plant proposed by the East Side Levee & Sanitary District, or an economy-sized adequate sized—\$1,225,000 plant proposed by the Citizens Committee.

The sewer district proposes a plant to treat both sewage and storm water, with operating costs about \$70,000 a year more than the small plant recommended by the Citizens group.

The clue to the cost difference is the Citizens Committee plan to separate the flows, propose a system of sewers and ditches to handle storm water, diverting sewage to the treatment plant and utilizing the present sewers to carry sewage to the treatment plant.

Most cities now are converting to separate systems because of the higher cost of sewage plant operation. The proposed \$1,000,000 bond issue will be paid off in a specified number of years. But the operational costs of a treatment plant will continue from generation to generation.

Moose Lodge Pet Parade For Youngsters Set For Saturday

The annual "kiddie pet parade," sponsored by Moose lodge 272, will be held at 2 p.m. Saturday in downtown Granite City.

Edward Chastain, civic affairs chairman for the lodge, said no advance registration is required. Prizes will be awarded for the best-dressed, most comical and most original pets. A number of consolation prizes also will be given.

The parade will start from the Granite City Steel-First Granite

Venice Council Approves 2 New Traffic Measures

Two new traffic control ordinances were approved by the Venice city council Friday night. One prohibits parking on College street and the other providing for a stop sign at Weaver and Market streets.

In other action, the council called for an ordinance establishing 65 as the legal retirement age for city employees. It also called for a new police car, and approved a call for bids for replacing defective pavement on the west end of McKinley bridge.

Thieves Haul Away Safe And \$1550 Today

Apparently Hid Inside
Big Top Bowl; Bruns
Home Is Ransacked

Thieves who hid inside the building hauled away a safe containing over \$1550 from the Big Top Bowl, 3701 Nameoki road, early today.

The theft, in which an inner office door was broken open and the office ransacked, was discovered about 6 a.m. today when custodians arrived. The burglars had cut through the 1145 last night. There was no sign of a forced entry.

Police were notified at 6 a.m. today by Custodian Richard Hargrove and Al Weldon. A four-door metal cabinet inside the office also was forced open to get to the cash register trays.

An office chair with rollers was used to wheel the 200-pound safe to a rear door. A padlock inside the door was smashed and the safe was wheeled out and placed in a vehicle. The safe had not been located at noon today, police said.

While the widow of Carl Bruns was away from the family home Friday, burglars ransacked the farm house and stole a rifle and a shotgun. It was reported to county authorities. A front door glass was smashed to gain entrance. Mrs. Bruns had attended the funeral services Friday and spent that night with relatives.

There is a new candidate for nearest theft. A child's piggy bank containing \$7 or \$8 was reported missing Saturday from the home of Thomas Hunt, 2132 Bryan avenue. The bank is believed to have been taken a week ago. The Hunts returned home last Monday to find their house ransacked. At that time nothing was believed to be missing.

Four Face Burglary Charge

Four youths were charged Thursday afternoon with a burglary at Red's tavern, 5200 Main street, taking place early Labor Day morning. They are Larry Herd, 18, of 725 Dale avenue; Tom Feeney, 18, of 2874 Washington avenue; John Baker, 17, of 2802 Nameoki drive, and James Peppers, 17, of 725 Twenty-seventh place.

They were arrested by Deputy Sheriff Tony Petrelli Thursday afternoon and lodged in the Granite City jail. They were released Thursday night on \$1000 bond each by Justice of the Peace Harry Hartman until Oct. 20.

Entry to the tavern was gained by smashing a front door glass. A cigar machine, juke box were rifled and an undetermined amount of cash, \$10 worth of cigarettes and bottles of liquor of various sizes were stolen.

An investigation by sheriff's deputies of the theft of a boat engine is continuing today. Dr. Daniel E. Jaimet, local dentist reported last week that his boat, house at Dunlap lake near Edwardsville had been broken into. Missing was a 9-horsepower engine valued at \$200. Deputies found footprints at the scene.

Will Be Reintroduced

"When better indications for a mass immunization program are seen and the safety of the vaccine is more certain the matter will be reintroduced to the society."

Dr. Berman said the Madison county committee plans to meet before attempting such a program.

"There seems to be no imminent danger of polio in this area, and there is a possibility that a new vaccine containing all three types of polio virus in a single dose may soon be licensed," he wrote.

Fun Public Information On Election Sought

Drainage Facts To Be
Presented By Citizens
Before Oct. 2 Voting

Plans for a full-scale educational campaign—with a goal of complete information for Granite City voters—were made by Citizens' Committee sub-committee chairman during a meeting Thursday afternoon. The group is seeking passage of the pollution abatement-drainage bond issue election Tuesday, Oct. 2.

"If an organized minority, led by out-of-town politicians, is to be prevented from defeating the proposal, it will be necessary for all citizens to have full knowledge of what is at stake," committee members commented. "We have to present all the facts to the public in time for thorough study prior to the election."

The informational campaign will take various forms, it was decided. Along with fact books in every block of the city, bumper stickers for the public, 20,000 explanatory folders are being printed for distribution to all Granite City voters.

Fifty thousand copies of the "Health" slogan, "Vote 'Yes,' Health—No Polls," will be prepared for inclusion in every block of the city. Similar signs will be prepared for buses and labor organizations, and for placement in packages purchased at Granite City stores Sept. 25, 28 and 29.

County Doctors Studying Plan For Mass Polio Shots

A possible mass polio immunization program for Madison county is now under study by the Madison County Medical Society. Dr. B. B. Berman said Friday.

Dr. Berman, a member of the society's polio committee, said the idea was discussed at a meeting last week. He emphasized that there is no emergency, and that the matter will be thoroughly studied before a plan is devised.

"We haven't had a case of polio here in two years," he said. "Most of our doctors feel we should not be pressured or rushed into anything."

In a letter to the Press-Record, Dr. E. F. Buzan of Alton, chairman of the polio committee, said the county medical society wants further studies regarding the percentage of persons in this area already vaccinated by the Salk vaccine before attempting such a program.

"There seems to be no imminent danger of polio in this area, and there is a possibility that a new vaccine containing all three types of polio virus in a single dose may soon be licensed," he wrote.

Sign In Every Block Of City

Billboards have been obtained for the same message at more than 20 locations. Along with 21x27-inch masonite signs on wooden stakes will be placed in every block of the city. Similar signs will be prepared for buses and autos.

Bills are being given before all interested groups, sample ballots and pamphlets will be distributed, advertisements will be projected at motion picture theaters, signs will be erected under headquarters and other buildings, and volunteers will give out information on the election issues near each polling place.

Campaign literature that is available at offices, shops and buildings where citizens gather and in stores and financial institutions. At some locations, ladies interested in approval of the drainage program will be on hand to answer questions about the improvements. Citizens are contributing to meet the campaign costs.

Drive Gaining Momentum

While guarding against over-optimism, committee members expressed the belief that the passage is beginning. A build-up momentum, which it is hoped will reach a peak by the time the election is held.

"The most encouraging aspect is the enthusiasm that results from full understanding of the proposal," it was noted.

"Once they realize that this is not an economic way of providing the required sewage treatment, people become supporters of the Citizens' Committee recommendation."

"They are also pleased that the committee will serve as a watchdog group throughout all phases of the construction and operation. They like the fact that sewage flooding, basement back-ups and the sewage health menace will be ended for all time, and that many new jobs will be provided by the drainage projects and multi-million dollar urban renewal program."

While detailed arrangements have not yet been completed, a rousing climax to the campaign is being planned for Monday evening, Oct. 1. A new low auto parade complete with signs and flares is among the events being considered.

Mrs. Buena Milhouser Succumbs At Age 68

Mrs. Buena E. Milhouser, 68, of 2728 Iowa street, died at 11:30 p.m. Friday at Barnes Hospital, St. Louis. She had been a patient there a week.

Mrs. Milhouser had been under medical care for the past seven months, and had been a patient at St. Elizabeth Hospital before she was taken to Barnes. Her death was attributed to complications.

A 55-year resident of Granite City, she was born at Carrollton. She was a member of the Calvary Baptist Church.

Mrs. Milhouser's husband, Charles W. Milhouser, a former Granite City street department employee, preceded her in death in 1959.

Survivors include a son, Charles J. Milhouser, and a daughter, Mrs. Beulah Evans, both of Granite City; a sister, Mrs. Jack (Garnet) Fritz, of St. Louis; a brother, Selwyn Atchison, Granite City; four grandchildren and two great-grandchildren.

He is in the obituary column.

Funeral Rites Held For Earl J. Werner

Funeral services were conducted Saturday afternoon at the Mitchell Presbyterian Church for Earl Julius Werner, 47, of Rural Route One, Granite City. Interment was in Sunset Hill Cemetery.

Mrs. Werner was dead on arrival at Alton Memorial Hospital about 10:30 a.m. Thursday after suffering an apparent heart attack at work on an Alton construction project.

A crane operator, Mr. Werner was on his first day at work for the Midwest Construction Co. at the Alton job. He previously had been employed 23 years by the Shell Oil Co.

Born in Mitchell, he was a lifetime resident of the Quad-Cities area.

Survivors include his wife, Mildred; a son, Allen, and a daughter, Miss Mary Lee Werner, both of Granite City; four brothers, Elmer and Raymond of Granite City, Wilbur of East St. Louis and Oliver of Edwardsville; and his mother, Mrs. Mollie Werner of Edwardsville.

An obituary notice appears elsewhere in this issue.

Venice Council

An improvement project to the street, he said.

To Slow Weaver Traffic

The new stop sign is to be placed at the southeast corner of Market and Weaver streets to regulate northbound traffic on Weaver. The action was called for at an earlier council session by aldermen who said the stop was needed to slow Weaver street traffic.

In calling for the retirement age ordinance, Alderman William E. Griggs said he believed such a regulation would be in line with that generally accepted in government and industry.

The council approved Griggs' motion that an ordinance requiring retirement at age 65 be prepared, to become effective next May 1.

The council voted to call again for bids on two police cars. Earlier bids had to be discarded because the 1962 models desired were no longer in stock. The new bids will be for 1963 models.

The sooner we call for bids the faster we can get new police cars, Mayor Lee told the council. "We should take action on this now," he added, "because we are in dire need of new police cars."

\$6000 Bridge Project

Mayor Lee said bid specifications for the McKinley bridge project have been received from Hardesty & Hanover of New York, consulting engineers.

Replacement of defective asphalt concrete pavement in the south half of eastbound traffic in the faster west approach were recommended in the firm's annual bridge report earlier this year. Estimated cost of the job is \$6000.

The council also approved a recommendation from Hardesty & Hanover that the J. S. Alberici Construction Co., now working on middle span deck openings on the bridge be authorized to make needed repairs to two bridge piers. The Alberici firm had offered to do the work for \$2425, which is \$25 less than the estimated cost.

Payment of \$30,442 to G. H. Sternberg & Co. as second installment for work on the new city garage was approved, along with a \$608 payment to Architect Virgil H. Dulgeroff. Both payments are to be made from the McKinley Bridge revenue fund.

A resolution was approved allowing the city to sell scrap pipe and fittings from an old dismantled water line on the McKinley Bridge to Miller Iron & Metal Co. for \$367.

son, Venice, Nantmolek township and Mitchell are to be given recognition. Official representatives will be introduced following the second presentation of the Sequelcentennial pageant. The pageant is scheduled for 8 p.m. each night through Saturday.

The Tuesday program will open with a square dance by the "Star Dusters" of Madison.

Mayor Leonard Davis said he has been asked to attend a Granite City school board meeting tomorrow night, and may be unable to attend the ceremony. He said he will appoint an alderman to represent him in the Sequelcentennial event.

Madison Mayor Stephen Maerz said he and other city officials plan to attend, and Mayor John E. Lee said plans are being arranged for a special delegation to attend from Venice. Dr. Lee said Venice residents planning to go should meet at the Venice city hall, from where they will leave as a group between 6 and 8:30 p.m. tomorrow.

All evening activities are to be held at the Sequelcentennial grounds, located a mile south of Edwardsville just off Route 159. Following the Wednesday parade, the city will have a "Brothers of the

formance of the "Our 150 Years" dignitaries of Williamson, Moro, Dorsey, Worden, Alhambra, Livingston, Prairieville and Fostertown will be honored. The fireworks finale is set for 9:30 each night through Saturday.

"Democratic Day"

County Democrats will have their day Thursday with Congressman Sydney Yates and State Treasurer Francis Lorenz scheduled as guests.

Activities are to begin at 6:30 p.m., with local political candidates also to be introduced. Congressman Yates, a candidate for the U. S. Senate, is to speak at the conclusion of the pageant.

The cities of Collinsville, Maryville and Troy are to be honored Thursday night.

"Republican Day" will be observed Friday, with Senator Everett M. Dirksen as featured speaker. Dirksen and local GOP leaders will be introduced at 6:30 p.m., with the Senator to speak after the pageant.

Dr. Ottwein and his group will present a musical program at 7:15 p.m., followed by a 4-H rodeo at 7:30. The garden club's flower show will be repeated again Saturday, during the same hours as on the previous day.

Edwardsville, Glen Carbon, Bohalto, Cottage Hills and Meadowbrook are to be honored Saturday, with officials to be introduced after the final performance of the Sequelcentennial pageant.

The celebration of Madison county's century-and-a-half will close with the 9:30 p.m. fireworks finale.

Mrs. Mary E. Meyer Dies In East St. Louis

Mrs. Mary Estelle Meyer, 84, of East St. Louis, died at 7:45 a.m. Saturday at St. Mary's Hospital there of complications. She was a former teacher at Summers Business College, East St. Louis.

Mrs. Meyer was a lifetime East St. Louis resident, and a member of Sacred Heart Catholic Church there. She belonged to the Altar Sodality, the Legion of Mary and the St. Henry Seminary Auxiliary.

She was an aunt of Mrs. John (Louise) Sedlack of Madison.

Other survivors include a daughter, Mrs. Ray (Anne) Mulligan, Belleville; a sister, Miss Ann Colgan, East St. Louis; and three grandchildren.

Funeral arrangements are given in the obituary column.

He said a proposal has been advanced as to a unified mass immunization program for the entire metropolitan area. St. Clair county already has detailed plans for a program of their own, he said.

"I suspect we will wait and see how St. Clair county, St. Louis and St. Louis county handle the matter before we make any decisions," Dr. Herman said.

"I know it will be done here," he added, "but it is a question of how, where and when."

Miss Carol Floyd, Michael Hurochy Wed Saturday

Miss Carol Floyd, a daughter of Mr. and Mrs. Ival Floyd, 2227 State street, was married Saturday evening to Michael L. Hurochy, a son of Mr. and Mrs. George Hurochy, 3027 Warren avenue.

The nuptials took place at 7 o'clock with the Rev. Paul Surbey officiating at St. John United Church of Christ on Nameoki road. A reception followed at the American Legion dugout in Venice.

White flowers decorated the altar and wedding music was furnished by the church organist, Mrs. Isabel Schmidt.

The bride wore a dress of white lace, satin and tulle made with long sleeves, a fitted bodice and a high neckline. The ballerina-length skirt was full and ruffled in the back. A pillow hat trimmed with pearls and sequins held in place the bride's tulle veil. She carried a crescent bouquet of white Fuji mums and variegated ivy surrounding a corsage of gardenias.

Attendants at the wedding were Miss Priscilla Hurocy, a sister of the bridegroom, and John Cockram. Miss Hurocy was in rose crepe. The dress was styled with a scoop neck, long sleeves and a short skirt. She wore a white feather hat and carried a crescent of pom poms, Fuji mums and ivy.

The newlyweds will reside at 3027 Warren avenue. The bridegroom is employed by the Eads Distributing Co.

GO TO CHURCH SUNDAY

MRS. ALBERT NEWSOME, a bride of Saturday. Before her marriage at Calvary Baptist Church she was Patricia Ruth Conner, a daughter of Mr. and Mrs. Marvin E. Conner, 2802 Nameoki road.

Newsome-Conner Nuptials At Calvary Baptist Church

Miss Patricia Ruth Conner became Mrs. Albert E. Newsome in a ceremony performed Saturday evening at Calvary Baptist Church. Rev. Wilbert Snider officiated at the 9 o'clock service.

The bride's parents are Mr. and Mrs. Marvin E. Conner, 2802 Nameoki road. Mr. Newsome, who has been residing in Belleville, is a son of Mrs. Eleanor Newsome of Long Beach, Calif.

The bride wore a gown of pure white Chantilly lace fashioned with a sabrina neckline embellished with iridescent sequins and tiny seed pearls. Long tapered sleeves with points at the wrists were set into the molded bodice which had small covered buttons down the back. The very full skirt was worn over layers of crinoline. It featured wide tiers all around ending in a full sweep train. A forward headpiece of roses and lace held in place a bouffant veil of illusion and white mums, stephanotis and heart ivy were combined in the bride's cascade bouquet. She was given in marriage by her father.

Attendants were Mrs. Carole

Miss McDaid, Dale Maxville Wed Saturday Afternoon

In an afternoon ceremony taking place Saturday at 2 o'clock at the First Methodist Church in Madison, Miss Sandra McDaid, daughter of Mr. and Mrs. Robert McDaid, 1515 Fifth Street, became the bride of Dale Maxville, son of Mr. and Mrs. Rose Maxville, 2823 Marshall avenue.

Rev. Russell Oden, officiated at the double-ring ceremony. Bouquets of white gladioli, mums and greenery decorated the church. White bows were at each pew of the center aisle. The bride was given in marriage by her father. She was attended by a maid of honor, Miss Joyce Qualey; bridesmaids, Mrs. Mary Ann Andre, Donna Cox, niece of the groom, Miss Jo Ann Maerens, cousin of the bride; junior bridesmaid, Miss Patty McDaid, sister of the bride, and the flower girl, Tammy Lee Maerens, cousin of the bride, ringbearer, Michael Peter Skundrich, nephew of the bride.

Eugene Gunderson served Mr. Maxville as best man, and groomsmen were Richard Cernikovich, Dave Davies, and Mike Schutte.

The bride was in a formal gown of silk organza over satin. It was designed with a deep scoop neckline, long sleeves, and a slim tapered sheath skirt. It was embellished with a deep cascade of white lace. A cluster bow secured the cascading chapel train at the center back waistline. A shoulder-length veil was held securely with a flower top made of lace and seed pearls. The bride's bouquet was a cascade of lilies of the valley and orchids. The maid of honor carried a colonial bouquet of bronze and yellow mums.

The bride's attendants were groomed alike in gold satin brocade.

Gushleff-Blankenship Wedding At St. Elizabeth's

Bouquets of white gladioli, carnations and greenery decorated St. Elizabeth's Catholic Church Saturday for the morning wedding of Miss Theresa Ann Blankenship and James Krivak Gushleff.

Rev. John Franklin heard the bride and groom. The bride is a daughter of Mr. and Mrs. Clifton E. Blankenship, 2308 Clark avenue. Mr. Gushleff's parents are Mrs. Theresa Gushleff, 1108 Grand avenue, and the late Steve Gushleff.

Miss Joan Blankenship was her sister. She is a graduate of the Granite City high school, has been employed by Account Management Corp. Mr. Newsome studied at Sheffield University in Yorkshire, England, and the University of California in Los Angeles. He is an engineer with Sverdrup & Parcel Associates in St. Louis.

MRS. WILLIAM R. GAUMER, the former Barbara JoAnne Ratliff, a daughter of Mr. and Mrs. Harold Ratliff, 1667 Third street, Madison, who was married Saturday at St. Bartholomew's Episcopal Church.

St. Bartholomew's Scene Of Gaumer-Ratliff Nuptials

St. Bartholomew's Episcopal Church was the scene Saturday for the wedding of Miss Barbara JoAnne Ratliff, daughter of Mr. and Mrs. Harold Ratliff, 1667 Third street, Madison, and William Robert Gaumer, son of Mr. and Mrs. William O. Gaumer, 2331 Spaulding avenue. The ceremony which took place at 7:30 o'clock in the evening was performed by the Rev. David E. Nyberg.

The bride, given in marriage by her father, wore a gown of white silk per de sole adorned with reembodying rose motifs of Alencon lace. A single white fabric rose encircled with lilies of the valley secured her silk illusion fingertip veil. The bride's bouquet was a cascade of lilies of the valley, white pom poms and white orchids.

Mrs. Marion T. Barr, a sister of the bride, served as matron of honor, while Mrs. Ira Martin, another sister, and Mrs. Kenneth McClelland, a cousin of the bridegroom, were bridesmaids. Their dresses were of silk embellished organza over tulle featuring bell shaped under-skirts. The matron of honor was in blue and the bridesmaids in white. Their bouquets were made of single roses in corresponding hue and they held cascade bouquets of spider mums. The matron of honor carried blue flowers, while the bridesmaids bouquets were pink.

The flower girls, Kimberly Sue Barr, a niece of the bride, and Susan Sackett, a cousin, wore short puffed sleeve dresses of white organza with applique of pink roses at the waist and headpieces made of pink fabric roses matching the roses of the bride. They carried miniature bouquets of pink mums.

Mr. Gaumer chose Kenneth McClelland as best man, and groomsmen were Donald Grouch

Secretaries Hear Talk On Procedure

Miss Marguerite Grumme of St. Louis, a registered parliamentarian, was guest speaker Thursday evening at a monthly meeting of the Tri-Cities Chapter of the National Secretaries Association at the Rose Bowl.

Her topic was "Let's Streamline Business Meetings." In her talk, Miss Grumme emphasized the necessity of club members familiarizing themselves with parliamentary procedure and traced basic words used in the procedure, such as ballot, chairman and minutes to their origin in Parliament in early England.

Prior to the program, Mrs. Shirley Schendelmann, parliamentarian for the chapter, introduced the guests, Mrs. Jesse Smith, of St. Louis, Mrs. Marvin Meacham, of Florida, and the speaker.

Dinner was served to the above and to Mesdames Shirley Henderson, Jean Hlennan, Jo Wanda McDonough, Esther Renning, Doris Robinson and Mary Sedekum and Misses Arlene Noll, Jane Davis, Phyllis Kent, Frances Kibbeck, Dorothy Painter and Jeanette Terjan.

A decorated cake emblazoned with the NSA emblem and adorned with candles in honor of the first anniversary of the chapter was served as a dessert course.

Mrs. Betty May, president, conducted the business session and announcement was made by the ways and means chairman, Mrs. McDonough, of a hat sale to be held Oct. 20 in the lobby of the Washington Theatre. Committee reports were presented and a CPS pin was presented to Mrs. Eileen Davison, the past president, Mrs. Davison

MR. AND MRS. GEORGE H. SYKES. Their wedding was on an event of Saturday taking place in the evening at Third Baptist Church. The bride, a daughter of Mr. and Mrs. Lloyd P. Edwards, 2539 Edwards street, is the former Carolyn Sue Edwards.

Double-Ring Ceremony For Sykes-Edwards Wedding

Third Baptist Church, 26th street and Grand avenue, was the setting for the wedding Saturday evening of Miss Carolyn Sue Edwards, a daughter of Mr. and Mrs. Lloyd P. Edwards, 2539 Edwards street, and George H. Sykes, son of Mr. and Mrs. Philip O. Sykes, 2532 Benton street. The double-ring ceremony was performed at 7:30 o'clock by Rev. Howard White. Miss Carolyn McKaven presided at the organ and played a program of wedding music preceding the ceremony. She also accompanied the soloist, Bill Rainwater, as he sang "Because" and "If I Could Tell You" and the Lord's Prayer.

Candles in candelabra illuminated the altar, decorated with arrangements of white gladiolus, poinsettias and ferns, and in tall standards adorned with white satin ribbons lighted the center aisle of the sanctuary. The bride was escorted by her father, who gave her in marriage. She wore a gown of Italian silk designed with a scalloped neckline, etched with sequins and long tapering sleeves. The bouffant skirt featured three silk bows down the front and back, and two rows of white tulle.

lace edged the skirt. A fingertip veil of silk illusion cascaded from a pearl and sequin tiara and the bride carried a white orchid on a white Bible.

Preceding the bride and her father down the aisle was her sister, Mrs. Ralph Richter, as matron of honor, and three bridesmaids, Miss Marilyn Greenlee, Miss Carole Miller and Miss Marie Vangel. Their gowns, identical except for color, were styled with fitted lace bodices and long sleeves. They had bateau necklines in front with scoop backs and satin trim around the neck and sleeves. The full skirts, daintily pleated, were street-length and fashioned of filmy chiffon. Headdresses of veiling and flowers matched the dresses. The honor attendant was in pale pink and carried an azalea pink carnation nosegay while the bridesmaid, wearing pastel green, held Nile green carnations. The nosegays contained an abundance of ivy.

Barry Sykes was his brother's best man, and the corps of groomsmen included Ed Melton, Richard Franklin and Jack Haug. Jim Grote and Bob Rains served as ushers and candle lighters.

For her daughter's wedding,

MISS SUSAN LOESCH, whose engagement to Michael J. Evans, a son of Mr. and Mrs. John Evans of St. Louis has been announced by her mother, Mrs. John Gillette, and Dr. Gillette of Ferguson, Mo. The prospective bridegroom is a nephew of Mr. and Mrs. John Coss of this city and a grandson of Mr. and Mrs. John Waggoner of Troy, Ill., former Granite Cityans.

Mrs. Edwards selected a sheath of iridescent aquamarine silk and white accessories. Mrs. Sykes, the bridegroom's mother, was in blue lace with blue and white accessories. Both mothers complemented their costumes with corsages of delicate pink rosebuds.

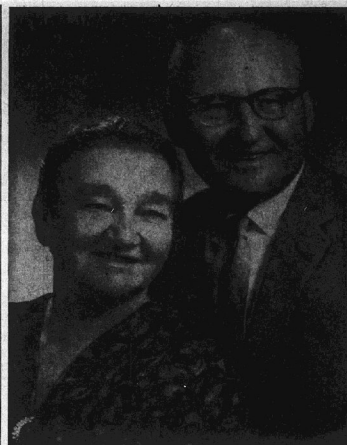

A reception was held in the church recreation room immediately following the ceremony. Assisting were Mrs. Paul Staydubar, Mrs. Allie Smith, Miss Brenda Hacke, Miss Barbara Kromray, Mrs. Walter Lewis and Mrs. Don Golden. Miss Judy White presided over the guest book.

After a wedding trip to Tennessee, the couple will live in Granite City. They will be at home after Sept. 16 at 2444 State street.

The former Miss Edwards, a graduate of the Granite City high school, is employed in St. Louis. Mr. Sykes, also a local high school graduate, is a senior student at Southern Illinois University Residence Center in Alton.

Out-of-town guests here for the wedding were Mrs. Clara Sykes, of Dover, Tenn., the bridegroom's paternal grandmother, and Mr. and Mrs. James Dumont of Livingston, Ill.

A rehearsal supper was served to relatives and members of the wedding party Friday evening at

Edward L. Stone, 47, of 3428 Lydia Lane, was honored Thursday afternoon by officials of the A&P Co. on the occasion of his completion of 25 years service with the firm. He is manager of the A&P store in Granite City.

Stone began his career in Peoria. He subsequently served at stores in Delavan, Bloomington, Washington, Fairfield, Alton, and finally Granite City, all in Illinois.

He served as manager of stores in all those cities. Of his 25 years of service, 25 years have been as store manager. A noon luncheon was held in his honor at the Windmill in St. Louis. In attendance were Jack Senstock, company auditor of New York; Robert Henzie, territory supervisor; and Gus Beine, personnel director. Herb Topp, supervisor of operations; G. B. Swast, most superintendent; J. A. Brennan, vice-president; Ralph Frenzen, assistant vice-president; E. P. Docherty, office manager; and D. R. Nelson, buyer, all of the St. Louis unit of the Middle Western division of the company.

The special immunization questions are in addition to the regular inquiries on employment and unemployment asked each month.

Census Bureau To Conduct Survey On Polio

Special questions on polio shots and also on injections for protection against several other diseases will be asked in the September Current Population Survey. It was announced today by the Bureau of the Census, U. S. Department of Commerce.

The immunization questions are being asked at the request of the U. S. Public Health Service to obtain information for use in planning nationwide health protection programs. The polio protection questions will be asked of persons under 50 years of age while questions on diphtheria, whooping cough, and tetanus protection will cover children 14 years of age or younger.

The polio questions will include the number of polio shots or injections (Salk vaccine) received, the number of doses of vaccine taken by mouth (Sabin oral vaccine) and the month of the most recent oral dose. For children 14 years and under the questions will cover the number of shots or injections they have had to immunize them against diphtheria, whooping cough, and tetanus.

The special immunization questions are in addition to the regular inquiries on employment and unemployment asked each month.

Bank Distributes 'Antiqued' Copies Of National Anthem

"Antiqued" copies of the "Star-Spangled Banner" are being distributed by Granite City Trust & Savings Bank in connection with county sequential celebration this week. These are reproductions of Francis Scott Key's own handwriting. Key wrote the National Anthem nearly 150 years ago on Sept. 14, 1814.

Gordon J. Hoener, the bank's public relations officer, said copies have been given to local public libraries and to teachers in Granite City. Additional copies are available at the bank.

Men are often capable of greater things than they perform. They are sent into the world with bills of credit, and seldom draw to their full extent.

Election Issue Oct. 2 - Progress Or Pollution

(This article was prepared by a member of the Progress Abatement Study group of the Granite City Citizens' Sewer and Drainage Committee. It gives his views on the issues to be decided in the special election on drainage and pollution abatement, Tuesday, Oct. 2.)

As you know, every resident of Granite City will have an opportunity to vote on sewers Oct. 2, and to end pollution and to stimulate progress in our community.

It is important that every citizen has specific, accurate information so that he can vote on Oct. 2 with the full knowledge of what is involved and how the improvements will benefit him and his family.

We think this information will convince you — it has your city-wide Citizens' Committee that we have a sewer problem which needs to be solved now.

The engineering, financing and overall planning is sound, fair and practical. The cost of the bond issue means progress through action for every family in Granite City and a better, healthier community in which to live and work. Think about this when you make your choice: Progress or pollution? Sewers or sewage?

Q. What really is this sewer plan?

A. The major part of Granite City has only one common sewer for both storm water and sanitary sewage. The newer sections have a separate sewer system — one for storm water and one for sanitary sewage. The sewer plan will provide separate sewers for the entire community, relieving the overloaded system, eliminating the backup of sewage into basements and homes, and draining the areas which already have separate sewer systems to have their sewage function properly. A new trunk line will be laid to the Mississippi River, storm sewers will be built to connect this trunk line, and existing open ditches will be paved and excavated to increase the capacity.

Q. How about sewer treatment to comply with state and federal requirements?

A. Sanitary sewers will be constructed to intercept the sanitary sewage and connect it to a sewage treatment plant to be constructed near the Mississippi River. This plant will be owned and operated by the City of Granite City and be controlled by the citizens of Granite City without interference from other agencies so long as it meets state requirements.

Q. Why do you say this plan is "sound"? Aren't there plans by other agencies proposed for us?

A. First of all, there are other treatment plans proposed for Granite City in conjunction with other cities through the East Levee and Sanitary District. However, the Levee District plans do not include drainage relief for Granite City.

Secondly, based on engineering estimates, the Levee plan will cost the city more money per month to treat sewage than will the bond issue plan. The local plan is sound — it will give storm water drainage and cost less money than other plans to treat sanitary wastes.

Q. Why not just build a sewage treatment plant, and forget about all these sewers?

A. Without storm water sewers, we will continue to have flooded basements and streets. But there is yet another consideration which is very important — by separating the storm and sanitary sewage, the sewage treatment plant can be smaller. This will permit the city to save \$1,700,000 by building a smaller sewage treatment plant to be used for sorpy-needed sewer systems.

Q. What's so fair and practical about this bond issue plan?

A. The practical part is that it provides for the needs of the citizens in promoting a better, healthier and more dynamic community. It will relieve the state order which will further sewer connections, stifling home building and stunting community growth. This is one thing alone will create more jobs.

The fair part is that the improvements will be paid for by revenue bonds. In other words, those who use the sewers will pay for the sewers. This includes individual homes, multiple-family dwelling, business and industries. And, best of all, those who use the sewers the most pay the least. In other words, everyone who helps pay will pay on the amount he is making of the sewers.

Q. Okay, how much do I pay?

A. The \$325 minimum monthly charge per average household will apply to more than 900 of the 11,500 household units in Granite City. The rate schedules for charges above minimum are based on cubic feet of water used per winter quarter.

Q. If the bond issue doesn't work, what happens?

A. Granite City will still have to abate water pollution, and it does not want to. Granite City's own treatment plant we can reasonably expect the Illinois Sanitary Water Board to take

court action to force construction of a sewage treatment plant.

Q. Is there any health issue involved?

A. Yes. Where sewage backs up into basements, stands in streets and short-circuits around lift stations, this presents a potential health menace from toxic substances, bacteria, germs and other serious diseases.

Q. How will the bonds be sold?

A. The bonds will be advertised and sold at public bid to the lowest bidder. Nobody nor any bond house has been given the right to buy these bonds at any set price.

Q. Who can vote, and what percentage of the vote is required to pass the bond issue?

A. Every citizen who is 21 years of age or older and who is a resident of Granite City is eligible to vote. It is not necessary to be registered in order to vote in this election. A simple majority is required in order for the election to carry.

Q. What, actually, will we be voting on?

A. "Yes" or "No" vote will be cast on the following proposition:

"Shall the sewerage system of Granite City, Illinois, be improved, as provided in Ordinance No. 2028, passed on May 21, 1962, and published on May 24, 1962, and shall Sewer Revenue Bonds of the City be issued in the amount of \$10,000,000, maturing on June 1, 1963, and maturing on June 1, 1963, as follows: \$10,000 in the year 1963, \$10,000 in 1973, \$50,000 in 1973, \$40,000 in 1973, \$50,000 in 1973, \$100,000 in 1978, \$110,000 in 1978, \$130,000 in 1980, \$140,000 in 1980, \$150,000 in 1982, \$170,000 in 1983, \$180,000 in 1984, \$200,000 in 1985, \$220,000 in 1986, \$240,000 in 1987, \$260,000 in 1988, \$280,000 in 1989, \$300,000 in 1990, \$320,000 in 1991, \$350,000 in 1992, \$370,000 in 1993, \$400,000 in 1994, \$500,000 in 1995, \$550,000 in 1996, \$600,000 in 1997, \$650,000 in 1998, \$700,000 in 1999, \$750,000 in 2000, \$750,000 in 2001 and \$1,250,000 in the year 2002. The bonds shall be sold at public sale on or before June 1, 1962, or on any interest payment date thereafter, and shall be payable solely from the revenues of the sewerage system of Granite City, and not from any other source, as provided in Ordinance No. 2028."

Q. What actually does a sewer system consist of, and how does it properly fit in?

A. Let's compare a sewer system to a tree. The trunk is the sewer system. The large branches joining the trunk represent the sewerage system of the city. The small branches of the tree represent the sewerage system of the city. The trunk represents your house connection. As you can see, a tree would be incomplete without any one component part.

State, U. S. Can And Will Force

Granite City To Halt Pollution

"I don't really understand it," a remark heard frequently makes it evident that the pollution-drainage program is a complex subject. But the basic facts are becoming better known, and it is important that all have full knowledge of the proposed method of pollution abatement.

One of the most fundamental points is that state and federal authorities no longer will let Granite City dump untreated sewage in the river. They have the power to force local action, as indicated by the order which has halted residential, business and industrial growth here for the past 15 months. They can order issuance of revenue bonds without voter approval (which would lead to the most costly method of pollution abatement) and can levy a fine of \$500 the first day and \$200 for each succeeding day their orders are violated.

Since action is a "must," the next question is how to do the job in the best way and at least cost. The Citizens' Committee plan, developed after more than three years of study, meets both tests—most benefits and greatest economy. It would create a two-pipe drainage system, the key to two significant advantages—a cheaper, more efficient treatment plant (saving \$1,700,000 in initial construction costs and \$70,000 a year in operating costs) and the halting of pollution in local yards, streets and ditches as well as the river. "Can" versus "must" is the key. The raw sewage health menace and the basement back-up nuisance for all time.

The question of cost is a valid one, but it should be remembered that there is no alternative to paying some fee. Under no circumstances can the monthly sewage treatment charge be "zero."

C. W. Klassen, Illinois Department of Public Health chief sanitary engineer, says the State Sanitary Water Board "is committed to whatever action is necessary." Reviewing the steps which can be followed, Klassen asserts that the board "can, has, and—in the case of Granite City—will proceed, case by case, to meet the problem. It will not need it but need not rise above \$3.25 a month (an increase of 75 cents in Namekiki). If an attempt is made to treat sewage without a two-pipe drainage system, the local limits would continue and the Namekiki cost could soar above \$4 a month.

Confidence in the plan is in the necessity for the action, and also in the fact that the request of the city, the Citizens' Sewer and Drainage Committee will continue in a close advisory position throughout the pre-election period, the role of bonds, construction of the new facilities and their operation in future years. With this official authorization, citizens will have the same voice—and it has been a large one—as they have had in planning the city's future.

Such added protection of citizens' interests would be lost if an out-of-town agency built the treatment plant. Local people would still have to pay, but they would have to have to pay a monthly fee to the federal government. There would be no local control to keep costs at a minimum, and the treatment fees would have to be higher due to the more intricate method used. Since the basic

Two Teenagers Treated

For Injuries In Falls

Linda Evans, 15, of 3236 Wayne avenue, was treated at St. Elizabeth Hospital Thursday night for injuries sustained when she fell from a bicycle onto a brick house. The girl was released after the wounds were sutured.

Also treated Thursday night was Mark Dufner, 13, of 2501 Cleveland blvd., who received sutures to a long laceration on his left leg. He was injured in a fall while running.

Because of a fire in the roof of the auditorium of the Methodist Church in Madison, services have been temporarily discontinued in that part of the structure.

Charles Johnson, chairman of the board of trustees, said the order to close the auditorium was issued last week by the district superintendent after he had inspected its condition.

Only one girder in the roof is loose, he said, "but there is danger that it might move and knock some plaster down. The girder is being braced with cables. The school will occupy a different room in the church."

Three men living in a vacant building at 18th and Delmar avenues are taken into custody Saturday by the police. Two of them were charged with trespassing on the property, and the third was charged with being drunk. The latter had been released from an infirmary after a charge the same day.

Among the acts that will be performed at the annual American Legion fall festival Sept. 17, 18 and 19 will be the three Royal Hawaiian of St. Louis and the three Hawaiian of St. Louis. The festival will be a parade Sunday afternoon, and a drum and bugle corps unit.

problem, lack of a two-pipe system, would not be solved, there would be the certainty of even more bond issues, fees and inefficiency in the future. A final prospect, it can be avoided if voters approve the citizens' proposal Oct. 2.

In summary, the issue to be decided three weeks from tomorrow should not be hard to understand if these points are kept in mind:

A "Yes" vote will assure adequate drainage and pollution relief at the lowest possible cost; two separate pipes throughout the city for sanitary and storm water drainage; permanent prevention of flooding, basement back-ups and overflow of disease-laden raw sewage; greatest economy in a mandatory program; immediate lifting of the ban on sewer extension which has choked off city growth for 15 months; full local control of what is done and how funds are spent; up to \$20,000,000 in urban renewal aid for a wide range of civic improvements in Granite City; and many new jobs for local people.

In even briefer form, a "Yes" vote Oct. 2 will be a vote for health and progress. It will make the future brighter for every Granite City family.

County Sesquicentennial Begins; Other Celebrations In Offing

Officially started during the weekend, the Madison County Sesquicentennial celebration will reach its zenith on Saturday, Sept. 15, as Granite City, Madison, Venice, Mitchell and Namekiki townships are accorded their "day" at the pageant and festival grounds on State Route 159. With the year's ball, Madison County Historical Society program, religious observance and the "Our 150 Years" performances, which will begin in evening and continue nightly through Saturday, the 90-minute stage spectacular, featuring a cast of hundreds of costumed Madison county residents, will depict scenes from the early years of county history. Fireworks will be set off each evening, and a parade and judging of beads Saturday will complete the festivities.

Appropriately, guided tours of the county historical museum, located in the courthouse at Edwardsville, will be conducted daily this week. Proceeds from the sesquicentennial will be used to provide new and larger facilities for the museum.

The 150-year observance has carried the thoughts of many Quad-Cityans back through the years, and we will not be surprised if it prompts a succession of other commemorative events.

Madison will have a good excuse to celebrate in 1976, which will be the 150th anniversary of its incorporation as a village, or the following year, 1967, 25th anniversary of Madison city government. Illinois will mark its own sesquicentennial in 1968, and the city of Granite City will be 75 years old in 1971.

Venice will have cause for jubilation in both 1972 (75 years as a city) and in 1973 (100th year since it became a village). The Press-Record may be on the scene on the occasion, and the city will be 75 years of publication, and Granite City Steel Co. will be a century old in 1978.

Placing Of More Financial Responsibility

On Children's Parents Is Worth Trying

The prospect of mothers having to leave their young children to work is sad, and yet abject poverty also can be cruel to youngsters. Mixed emotions are involved in the public concern for the state's effort to reduce costs of the Aid to Dependent Children program, but it appears sound to place the basic responsibility for support of children on their parents.

Averaging \$40 a child and \$132 a family in Madison county, ADC aid exceeds \$100,000 a month in this county alone and represents a huge burden on the state's treasury. ADC is a major factor in the state's present financial dilemma and in the discussion of tax increases.

It is likely that such a vast program does much good but also has some abuses. If it leads to a reduction in the abuses, the new program of child care centers and parental job training will be a step in the right direction. Revisions can always be made if unusual hardships result.

Mr. and Mrs. Burton W. Blair of 2643 Madison avenue returned Saturday on a 10-day trip through Pennsylvania and Ohio, winding up at Humboldt, Iowa, where they attended a reunion of the Blair family. They were accompanied by their daughter, Lucrilia, and their son, Arthur. Lucrilia is well-known in music circles, and appeared with the Mayor Band at the playing the marimba.

"Goodness of our Lord Jesus Christ" Galatians 5:22-23

Goodness may be defined as benefit, virtue, beneficence—also has the meaning of excellence in character, demeanor, usefulness, kindness, generosity. Romans 2:4 speaks of the Goodness of God. All the oxygen that we breathe in our life upon the earth belongs to God. The water that we have to drink is His. His earth has produced all of our food, clothing. The houses which call ours are produced by His Goodness.

We owe our very life to Him. If this does not lead us to repentance, it will lead to judgment, condemnation and wrath. His Goodness offers salvation freely to all of us.

I believe the account of the Good Samaritan depicts the meaning of our Lord Jesus Christ. He is the Good Samaritan.

Be On Guard

Wise is the parent who refrains from discussing some personal hurt by the dentist or physician with other children. To tell her husband at dinner that "the doctor nearly killed me" is a sure means of establishing another fear.

Children are a strange little people who live in their own worlds. Their thoughts of fantasy are largely engendered by the comments of that grown-up world in which their parents live.

Environmentally and socially, youngsters have great trust. Through experience they realize their protection comes from their parents. This physical and emotional protection includes adequate nutrition, comfortable living quarters, love and attention.

They Need Protection

But they need more than just parental protection. They need that "special" protection that only the doctor, the dentist and the policeman can provide. Needless to say, it is essential to the normal emotional development of the child that parents teach youngsters to have confidence in these men and look upon them as their friends.

Remember, in children, threats bring tears and tantrums! The child who is white with fear when he doesn't behave. As soon as the nurse or doctor appears, the crying starts.

That unpleasant threat of childhood—has been established by no other person in the parent. The same parent

Sky Steelers Will Elect Officers; Plan Team Contest

The Tri-City Sky Steelers model airplane club will elect officers for the fiscal year Nov. 1, 1962, through Oct. 31, 1963, during its regular evening meeting Wednesday at the YMCA.

The following Wednesday, Sept. 19, the group will hold an intra-club team combat flying contest at 8:30 p.m. at Coolidge junior high school. Entry blanks are to become available to club members by Sept. 12. Team captains for the contest are John Fitcher and John Blum. Trophies will be awarded to each member of the winning team and to the high point man on the losing team.

Officers nominated by the club for Wednesday's balloting are Jim Turner and Frank Meyer, president; Garland Ledbetter, Warren MacZura and Bob Stein for vice-president; Art Conary and Bob Myers, secretary-treasurer; John Blum, Pete Tegel Jr. and John Turner for recording secretary; and Gerald Tegel and Dennis Meyer for junior member representative. The election meeting will be held at 7 p.m.

Fall Activities For YMCA Women's Department Listed

Bridge instruction, ballroom dancing, archery, fencing, volleyball, "slim gym" classes, gym classes and swimming instruction, many of them for both men and women, are among programs included on the fall schedule of activities in the women's department at the Granite City YMCA, according to Mrs. Lee Pfaff, director.

Registrations for the classes are now being accepted at the YMCA, and a schedule of rates and starting dates is available by calling TR 6-7200.

"Slim gym" club hours are from 10 a.m. to 9:30 p.m. each day except Sunday. Massage and steam treatments are available. Gym classes will be held Tuesdays at 10 a.m. and 7 p.m., and on Thursdays at 10 a.m. and 2 and 7 p.m. Both classes are for women only.

Combined men's and women's activities will be bridge lessons, a series of 10, to be held on Wednesdays at 7:30 p.m.; ballroom dancing on Wednesdays at 8 p.m.; lessons in Spanish and in Japanese on Wednesday at 8:30 p.m.; archery on Wednesdays at 7 p.m.; fencing on Mondays and Wednesdays at 7 p.m.; and volleyball on Wednesdays at 8 p.m.

A recreational swim will be open to all persons taking part in Wednesday night activities at the Y. Swimming instruction for women, from the beginner class through a senior lifesaving course, is planned on Tuesdays, Wednesdays and Thursdays. Each course consists of 12 sessions. A special mother and tot swim period is scheduled on Mondays at 4 p.m.

A special baby sitting service is also being made available to mothers who participate in women's department activities.

The YMCA will continue to hold its regular recreational swims Tuesday through Thursday and family swims on Monday, Saturday and Sunday.

Wins Physique Title In Contest Friday

A maintenance welder at Granite City Steel Co., Don Goldschmidt, 28, of 2925 Deane avenue, outscored eight other contestants to win the 1962 Mr. Mississippi Valley physique contest in the senior division Friday evening.

Goldschmidt was in competition in a contest sponsored by the Belleville Health club and sanctioned by the Ozark AAU, held at the Catholic Social center in Belleville before a crowd of over 500 persons.

All entries in the senior division were former title holders of physique contests. Second place went to Cliff Gay of St. Louis, and Charles Zumbalt of St. Louis placed third.

Highlights of the contest included strength exhibitions given by weight lifters and body builders. Steve Carich, Granite City police patrolman, gave a bench press and squat demonstration. Carich bench pressed 375 pounds and a full squat with 450 pounds. He also entered the physique competition but did not place.

Goldschmidt, who is married and the father of four children, has been body building for eight years and holds the physique titles of Mr. Missouri and Mr. Capri. This year he placed second in the Junior Mr. America contest in Columbia, Mo.

He has been in competition for three to five times a week at the home of his gym partner, Carich, who has body-building equipment.

Goldschmidt is five feet, six inches tall, weighs 170 pounds, has a 17-inch bicep and 47-inch chest.

Football Rules Clinic Tonight At Belleville

Coaches and officials from the Southwestern and Midwestern football conference areas, plus coaches of independent and parochial high schools, will attend a special pre-season rules interpretation clinic tonight at Belleville Township High School. M. H. Springer of the Illinois High School Association will conduct the clinic, where special emphasis is expected to be placed on the wearing of a protective mouthpiece by all players, a mandatory rule for the 1962 season among prep teams whose schools are members of the IHSA.

The clinic at Belleville tonight is one of 19 being conducted across the state prior to the opening of the football season this weekend.

MacZura Second In Two Model Events

Roger MacZura placed second in flying scale and junior rat-race competition yesterday during a model airplane meet in Florissant, Mo., sponsored by the Florissant Flaps. MacZura represented the Tri-City Sky Steelers.

Other members of the club who attended and flew in competition were Frank Meyer, Dennis Meyer, Garland Ledbetter, Pete Tegel sr., Pete Tegel jr. and John Blum.

Miss Hall, James Jeffries Wed In East St. Louis

Miss Kathryn Lynn Hall, a daughter of Mr. and Mrs. Wilford P. Hall of East St. Louis, and James J. Jeffries, a son of Mr. and Mrs. James F. Jeffries, 3224 Wabash avenue, were married Saturday at 8 p.m. at St. Paul Methodist Church in East St. Louis. Rev. Henry Wright performed the ceremony.

Miss Judith Ann Harrod was maid of honor, and Miss Pamela Callison served as bridesmaid. Both are from East St. Louis. They were gowning alike in gold brocade. The gowns had sculptured bodices, cameo necklines and long sleeves. The controlled skirts, ballerina-length, had envelope drapes. Headpieces of gold flowers and nose veils matched the gowns. Their flowers were orange Fuji chrysanthemums.

Ann Reynolds, of Wood River, a cousin of the bride, and David Jeffries, the bridegroom's brother, were flower girl and ring bearer. The former, in white organdy trimmed with lace and a gold sash, carried a basket of flowers.

The bride's gown was made of peau de soie and imported Chantilly lace. The molded bodice had three-quarter sleeves with small sweetheart bows and a cameo neckline. The skirt was styled with side envelope pleats and small bridal roses and bows, falling into a chapel train with bustle effect accentuated with a

rose. A pearl crown held in place an illusion veil and the bridal bouquet was an arrangement of white orchids.

Tom Richardson, a cousin of the bridegroom, was best man and serving as groomsman and usher were Henry Blenfield of Granite City, William Weckman and Donn Hornberger, also of Granite City.

Candlelight illuminated the church for the service and white flowers decorated the altar. Tall white tapers also burned in the aisle.

The wedding reception was held at the church, and the newlyweds left later for a trip to Niagara Falls. They will be at home after Sept. 16 at 6354 North 53rd street, East St. Louis.

The bride, who was graduated from the East St. Louis high school and attended Southern Illinois University for two years, is employed at Booth Memorial Hospital, St. Louis.

Mr. Jeffries attended the local schools and Missouri University. At present he is a senior at Southern Illinois University Residence Center in East St. Louis, majoring in Government and History.

The greatest difficulty with the world is not its inability to produce, but its unwillingness to share.

5th Ward Club To Hear Talks On Sewer Program

A discussion of the \$10,000,000 sewer, drainage and pollution revenue bond issue will highlight next Thursday evening's meeting of the newly-formed Fifth Ward Bi-Partisan Club.

Edward McFarland, vice-chairman, said the meeting will be held at 7:30 p.m. at the ARF Club building, Niedringhaus avenue and Maple street.

Speakers will be Fifth Ward former city attorney William Beatty. They also will answer questions concerning the drainage program and the forthcoming Oct. 2 bond issue election.

\$40 Damage To Auto In Fire Last Night

Fire caused \$40 damage to the 1958 auto of Ernest E. Randall, 2721 Michigan avenue, in the 2700 block of Washington avenue at 9:15 p.m. Sunday.

Granite City firemen, who disconnected the car's battery, attributed the fire to a short-circuit in electrical wiring.

No damage was reported at 2700 block of Washington avenue at 9:15 p.m. Sunday. Gas was shut off at 5:05 p.m. at the frame home of Dairi Reynolds, 2324 Edwards street, where a gas line break had released gas throughout the building. At 8:25 p.m., firemen went to an apartment at 1208 Niedringhaus avenue, where fire was threatening to spread from an incinerator.

Weekend Traffic Accidents Result In Injury To 6

Rain-slickened streets and highways contributed to 27 traffic accidents in the Quad City area over the weekend, according to reports from local police. Six persons were reported injured.

Terry Bryant Kilmer, 8, son of Mr. and Mrs. Floyd Kilmer of Kirkwood, Mo., was transferred to Children's Hospital, St. Louis, from St. Elizabeth Hospital Saturday. He suffered a large cut to the side of the head after being struck by an auto at 3:05 p.m. in the 2400 block of Benton street.

The boy had alighted from his parents' auto on the curb side, ran around front and into the path of an auto driven by Carolyn Hecker, 19, of 2408 Benton street, police said.

He was carried or thrown about 25 feet by the impact, the report shows. The driver said he did not see the boy in time to avoid hitting him. Both autos were heading south on Benton.

James W. Garner, 30, of 1628 Sycamore avenue, was charged with careless driving Friday after his auto struck a pickup truck in front of his home at 2509 Lincoln avenue.

Garner was admitted to St. Elizabeth Hospital where 16 stitches were taken to close a laceration to his chin. He was released from the hospital later Friday afternoon.

The accident occurred at 2:20 a.m. The impact of the collision sent the truck over the curb where it tore down a fence, police said.

Ernest J. Williams, 46, of 2402 Cleveland blvd., was released on \$500 property bond after being arrested at 10:35 p.m. Saturday for driving without lights, speeding, driving in the wrong lane, failing to heed a red light and sign and reckless driving.

Police said they chased him south on Madison avenue from 20th street to 17th street where his auto spun around on the rain-slick street and collided with another southbound auto driven by Harold C. Koelker Jr., 18, of 207 Hampden street, Venice.

Dorothy Koelker, 50, a passenger in the Koelker auto, suffered an injured left elbow, an abrasion to the left knee and an injured right shin.

Police said Williams forced several autos off the road during the chase.

Donald Bates, 21, of 2238 Grand avenue, was injured slightly when he fell from a motorcycle in the 400 block of Madison avenue, Madison, last night. The motorcycle was operated by Thomas L. McMaster, 24, of 2103 Missouri avenue. McMaster told police he would seek treatment from a local physician.

Mrs. Florence Tankley, 52, of 2421 Bryan avenue, was slightly injured at 6 p.m. Saturday in a traffic accident at Madison avenue and 23rd street. Edward S. Tankley, 52, was issued an arrest ticket for failure to yield right-of-way as he was turning left from Madison avenue onto 23rd street. His auto was involved in a collision at the intersection with one driven by Richard W. Jasudowicz, 17, of 1813 Fifth street, Madison.

Georgia Bucks, 18, of East St. Louis was injured when the auto in which she was riding collided with another vehicle on Madison avenue at Third street, Madison, yesterday afternoon. Police said she had abrasions and lacerations.

She was riding with Jackie Lee Calahan, 22, of East St. Louis when their auto struck that of Bernice Hunt, 26, of 1122 Calhoun street, Venice.

Three Held On Federal Money Order Charges

Three men are being held here for the U. S. marshal on suspicion of cashing or attempting to cash money orders taken in a St. Louis burglary.

The trio allegedly cashed a \$25 American Express money order Friday afternoon at the First National Bank in Madison. The arrests took place at 4:45 p.m. that day after an attempt to cash a similar money order at the Granite City Trust and Savings Bank. Amount of the second money order was not announced.

Those in custody at the Granite City police station are Charles Jones, 21, and Rollan Stanley, 21, both of St. Louis, and Sylvester Virginia, 29, of 121 Hill street, Eagle Park Acres.

Prosecution is to be handled by federal authorities.

GCHS Alumni Group Will Meet Wednesday Evening

A regular meeting of the Granite City High School Alumni Association will be held Wednesday at 7:30 p.m. in Room 115 at the school to discuss plans for the annual homecoming banquet Oct. 24.

President Earl Parsons said all graduates are welcome to attend. The group plans to present a gift to the high school with funds derived from the banquet.

Supper For Band Parents

The first 1962-63 meeting of the Granite City High School Band Parents Association will be held on Tuesday at 6 p.m. with a pot luck supper preceding the general meeting. Sidney Strotheide, president for the second year, will conduct the meeting. All parents of students coming into band from Coolidge and Prather junior high schools will be welcomed.

Venice Couple Fined; Shots Fired In Fight

A Venice couple was fined in the court of Police Magistrate Wesley Edwards Saturday morning on different charges after the man told police his wife shot at him and she said her husband knocked her down first.

Yolande Latham, 37, of 73 Lee Wright Homes was fined \$10 on a charge of disorderly conduct. His wife, Ruth, 34, was fined \$30 and costs, charged with discharging a firearm in the city limits.

Mrs. Latham admitted firing two shots from a .22 caliber pistol, but said she fired into the ground after her husband hit her. The incident occurred early Saturday in front of the Latham home.

Scholarship Awards For Nine Local Grads

A supplemental list of teacher education scholarships was announced today at Springfield by State Supt. of Public Instruction George T. Wilkins.

"Named to the list were George Wm. Haven, Carolyn Boyer, Robert Cruse, Carl Walker and Lawrence North of Granite City, and Charles Venarsky, Sandra Consiglio, Cheryl Dion and Robert Elersold of Madison."

To be eligible, a candidate must have graduated in the upper half of his class.

HOMEMAKERS STUDY CLOTHING HISTORY

A monthly meeting of the Granite City unit of the Madison County Homemakers Extension Association was held Wednesday afternoon in the recreation hall of Niedringhaus Memorial Methodist Church.

A dessert luncheon was served to the members by the month's hostess, Mrs. Lenora Hawks. Mrs. Freddie McElroy, unit chairman, conducted a brief business meeting.

"Buying Women's Suits and Coats" was the month's major lesson, which was given by Mrs. Mary Knecht, the assistant home-

adviser from Edwardsville. Mrs. Knecht explained the finer points of buying these staple items of wardrobe, reminding the members that the items should be purchased for quality and durability, as they are not replaced every year.

The minor lesson, given by Mrs. Bonnie Lazenby, "Know Your Town" was timed for the County Sequentialennial observance. Several facts pertaining to the history of Granite City were reported by Mrs. Lazenby. The month's health lesson was given by Mrs. Katherine Arnold, "Better Safe Than Sorry." It dealt with various drugs which have been predominant in the news.

A report was given by Mrs. Ann Pate on the 26th annual Homemakers Demonstration Convention that she attended in Lexington, Ky., the latter part

of August. She showed an apron applied with a cardinal which was presented to her by a Homemaker unit in Lexington. Others attending Wednesday, were Mesdames Evelyn Smith, Norma Bredendach and son, Jimmy, Ann Tucker, Genevieve Hill, Hulda Griffith, Charlotte Temple, Betty Weston and son, Kevin, and one guest Mrs. Hera Schumacher. Mrs. Beckman won a mystery prize.

The next meeting will be held Oct. 3 at 12:45 p.m. at Niedringhaus Church.

SOCIETY

Church Guild Elects Officers

The following officers were elected Thursday at a meeting of the Afternoon Guild of St. Peter United Church of Christ: Mrs. Estelle Monken, president; Mrs. Johanna Lampe, vice-president; Mrs. Virginia McLester, secretary; and Mrs. Loretta Hurry, treasurer.

Mrs. Lillian Baumeier, the retiring president, called the meeting to order following a sack luncheon at noon. The ladies observing birthdays in September served homemade cakes as the dessert course.

Mrs. Monken, Christian education chairman, reported on the National Conference on Christian Education which she attended at Purdue University last month, the theme of which was "The Church, A Learning and Witnessing Community," and on the summer conference of Women's Guilds at Elmhurst College last June.

The Christian Education department was in charge of the devotional service, and those taking part were Mrs. Monken, Mrs. Ertha Johnson, and Mrs. Leola Arbogast, accompanied at the piano by Mrs. Florence Hadaller.

Mrs. Baumeier announced plans for a combined meeting of the Afternoon and Evening Guilds and a pot luck supper at 6:30 p.m. Oct. 1, an open house at the Holyoak Children's Home on Sept. 16, and the celebration of the tenth anniversary of the Hitz Memorial Home in Alhambra at 2:30 p.m. Oct. 14. The Guild also is planning a rummage sale for Oct. 12 at the IOOF hall. Approximately 35 members attended Thursday's meeting.

Change in Nylon Tire Design adds mileage at no extra cost!

28 million miles of road tests have proved that making this nylon tire lower, wider — more nearly the running shape of a tire — actually increases mileage 25% to 30%.

Because you pay not one cent more than the price of ordinary 1st line nylon tires, Gates low profile nylon tire makes your tire dollars go 25% farther — really saves you important money on tires.

Navy Mothers Club Begins Season

The first fall meeting of the Quad-City Navy Mothers, Unit 850, was held Thursday evening in the IOOF hall with fifteen present, including one new member, Mrs. Pearl Ferguson.

Mrs. Nellie Dix presided. A contribution of \$15 was made to Blue Jacket Haven, a hostess home in Oakland, Calif., and a layette was furnished to a service man's family. The group also made plans for the annual tag days on Sept. 21-22.

gardenias, stephanotis and green ivy.

Jon Dressel was his brother's best man, and Phillip Dressel, another brother, and William Schreiber served as groomsmen. The ushers were Robert Wagner, Cleon Statton, Robert Bowen of Alton, a cousin of the bridegroom, and William Benke of St. Louis, also a cousin of the bridegroom. Misses Diana and Pamela Schilling and Nancy and Phyllis Hicks lighted the candles.

The wedding reception was held at Sunset Hills Country club directly after the ceremony. The tables were decorated with gardenias floating in brandy snifters, smilax and white poinsettias.

Mr. and Mrs. Dressel left later for a trip to Quebec City, Canada. They will reside in Boston, Mass., while the bridegroom continues his studies at Harvard University in Cambridge. His clubs are Iroquois, Hasty Pudding and the Harvard Club of Boston.

The bride, who attended Southern Illinois University, has been employed as an assistant buyer at Boyce's in St. Louis. Out-of-town guests here for the wedding and reception were Mr. and Mrs. Paul Kern of Arlington, Va., an uncle and aunt of the bridegroom.

Mrs. Dressel, the bridegroom's mother, gave the rehearsal dinner Thursday evening at the Missouri Athletic Club in St. Louis.

Those present, beside the bride and groom-to-be were Mr. and Mrs. H. E. Loeders, Mr. and Mrs. Phillip Dressel, Mr. and Mrs. William Schreiber, Mr. and Mrs. Robert Wagner, Mr. and Mrs. Mark Pickett, Rev. and Mrs. Maxton, Miss Judy Anderson, Miss Donna Farrington, Ray Caffery of Brooklyn, N.Y., Robert Mallory of Edwardsville, Mr. and Mrs. Robert Bowen of Godfrey, Mr. and Mrs. George Fisher, Mr. and Mrs. Sidney Grossman of Lattus, Mr. and Mrs. William Banks, Mr. and Mrs. Jon Dressel of St. Louis, Mr. and Mrs. Kern, Miss Ann Jones and Mrs. Dressel.

MISS LYLE H. HILLMAN. Her wedding took place Saturday at Grace Baptist Church. She is the former Linda Rose Williams, a daughter of Mr. and Mrs. Curtis Williams, 2345 Terminal avenue.

Miss Williams, Lyle Hillman Exchange Wedding Vows

Miss Linda Rose Williams and Lyle H. Hillman exchanged wedding vows in a ceremony taking place Saturday evening at Grace Baptist Church, 2600 Edwards street. Rev. C. L. Moeller, pastor, performed the double-ring ceremony at 7:30.

The bride's parents are Mr. and Mrs. Curtis Williams, 2345 Terminal avenue. Mr. Hillman is a son of Mr. and Mrs. Howard Hillman, 1832 Russell street. A program of wedding music was furnished by Miss Joy Fedora, organist, and Mrs. John Fedora, soloist. The latter sang "Always" and "Wedding Prayer."

A gown of white silk bombazine and chantilly lace was worn by the bride. Lace covered the neckline and long pointed sleeves were set into the bodice. The voluminous skirt of silk was bordered with lace and trimmed with bows. Appliques of lace resembled a gown with pearls and trident sequins gave accent to the gown and layers of lace formed a short train. The bride carried a cascade of carnations, lilies of the valley and ivy.

Miss Frances Walls, maid of honor, and Miss Wanda Crabtree and Pam Dougherty, the latter a cousin of the bride, bridesmaids, were dressed in gowns of nylon chiffon, with bateau necklines and long sleeves. The bouffant ballerina-length skirts and wide hemlines and a sculptured drape was caught at the left shoulder of

the bodice, cascading down to the bottom of the skirt. Headpieces were matching bands of satin and circular nose veils. The honor attendant was in maize and the bridesmaids wore gold. They held nosegays of white carnations.

Karen Keel the flower girl, wore a white organza floor length frock trimmed with lace and carried a basket of petals. Steven Garland, the bride's cousin, carried the rings. Raymond McGee was best man for Mr. Hillman, and Gary Halbe, Richard Hargrove, C. E. Jacobs, a cousin of the bride, and Talmage Hillman, a brother of the bridegroom, were groomsmen and ushers.

The bride's mother wore a white silk crepe dress and a corsage of bronze pom poms, while the bridegroom's mother selected a black silk sheath. Her flowers were pink carnations. A reception was held at the home of the bride after the ceremony with Miss Charlene Hall, Miss Shirley Achenbach and Miss Marguerite Barker assisting.

Both young people are 1962 graduates of the Granite City high school. The bride is employed at the Granite City Trust and Savings Bank. Mr. Hillman is employed at General Steel Industries, Inc., as an apprentice machinist.

For the wedding, the church was decorated with bouquets of white gladiolus and pom poms and light was furnished by burning candles in candelabra.

Mrs. Stella Parker Succumbs At Age 67

Mrs. Stella G. Parker, 67, of 2021 Lee avenue, died at 10:30 p.m. Saturday at an Alton hospital of complications. She had been at the hospital 20 years.

Born in Trenton, N. J., Mrs. Parker moved to Granite City 40 years ago. Her husband, Charles E. Parker, preceded her in death in 1963.

Survivors include two daughters, Mrs. Ralph (Alice) Puhse and Mrs. James (Gladys) Fairman of Granite City; a son, Wallace Parker of New York City; a sister, Mrs. Mae Rau of Danwood, N. J.; eight grandchildren and four great-grandchildren. Funeral arrangements are given in the obituary column.

SOCIETY Shower Honors Bride-To-Be

Miss Sandra Coleman, who will be married Sept. 22 to Don Schnefke, was guest of honor at a miscellaneous shower given by Mrs. Mary Jane Phelps, Mrs. Irene Schnefke and Mrs. Cleo Schnefke at the VFW hall Sunday afternoon.

The room was decorated with white, green and gold and a huge sprinkling can was suspended above the gift table. Miniature sprinkling cans served as favors. The refreshment table was adorned with red roses, and ceramic cups held white candies.

The guest list included Mesdames John Schnefke, David Bladrick, Nellie Bruns, Alma Bladrock, Esther Underwood, Sharon Gray, Maude Shook, Ruth Pisateri, Dorothy DeChue, Alma Coleman, Bessie Schnefke, Celie Mateyka, Bea Beck, Golda

RETURN TO SCHOOL

Miss Annette Lenzi, daughter of Mr. and Mrs. Edward Lenzi, 2225 Aubrey avenue, and Miss Linda Farrow, whose parents are Mr. and Mrs. Frank Farrow, 1723 Venice avenue, have resumed their studies at Central Methodist College in Fayette, Mo., where both are juniors.

NAVIGATORS MEET AT BLOODWORTH HOME

The September meeting of the Navigators Club of First United Presbyterian Church was held Saturday evening in the home of Mr. and Mrs. John Bloodworth at Twin Lakes near Troy. Approximately 40 members attended and took part in games. Refreshments were served by Mr. and Mrs. Bloodworth and the co-hosts and hostesses, Mr. and Mrs. Leroy Elbrecht, and Mr. and Mrs. Kenneth Stucke.

ATTENDING MEETING IN NEW YORK

Dr. and Mrs. Irvin Wiseman left Saturday for New York to attend a meeting of the International College of Physicians and Surgeons. Dr. Wiseman has been a Fellow member since 1954. Mrs. Wiseman is on the board of directors of the organization. She is one of twenty women from the United States who make up the board. They flew to New York and will return Saturday.

Party Honors Jennifer Ranft

Mr. and Mrs. Carl Ranft, 2650 Delmar avenue, entertained a group of young people at a party Saturday evening in honor of their daughter Jennifer, who was celebrating her 15th birthday.

Dinner was served by Mrs. Ranft at 6:30 and games and dancing followed. Those present were Misses Sharon McIlvoy, Suzanne Fogie, Pat Parsagian, Ann Meyer, Ellen Chapman, Mary Lewis, Jeanette Leatherman, Karen Durbin, Pam and Judy Karkey, Kathy Simurda, and Brenda Kallert. Larry Curry, Jerry Line, Jerry Lybarger, Joe Hauptman, Bill Moran, Tom Mofsky, Mike Mounce, Jimmy and Johnny Pongroy, Ricky Whitsell, Danny Mossie, and the guest of honor.

Parties Honor Bride-To-Be

A series of parties is being held to honor Miss Ann Skundrich, 1233 Washington avenue, Madison, who is to be married Oct. 13 to Major Joseph Frank Schall.

After 70 had attended a linen shower given by fellow employees at the Engineer Supply Control Office, St. Louis, last week, 12 close friends attended a dinner honoring Miss Skundrich at the Lennox Hotel Friday evening. She was presented with gifts of lingerie.

Capt. and Mrs. Alfred E. Fuller Jr., 2342 Clark avenue, will entertain the engaged couple and a number of friends at a lawn party at their home Oct. 7. The wedding is to be held at St. Mary's Catholic Church, Madison.

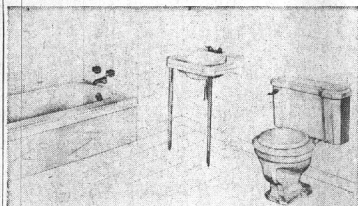

18 ATTEND MEETING OF PAST NOBLE GRAND CLUB. Past Noble Grand of Junita Rebekah Lodge 477 met Thursday evening for games and a business session, with Mrs. Beulah Harvign presiding at the Odd Fellows hall. Prizes were awarded.

Mrs. Lottie Scherrer, chaplain, led the gathering of 18 in the Lord's prayer. Refreshments were served by the hostesses, Mrs. Alice King and Mrs. Mildred Robertson.

RETURNS FROM SOUTH. Miss Diana Ferro, a daughter of Mr. and Mrs. Peter Ferro, of Rural Route One, returned Saturday from a vacation of three months in Myrtle Beach and Columbia, S. C.
